*"My wife Anne and I, along with our entire staff, are investing our lives in young people for the cause of Christ. And this ranch is the best vehicle we have ever seen for ministering to not only kids, but people of all ages and all walks of life."*

*~ Dennis Smith, Founder and Director of Victory Ranch*

The possibilities for Victory Ranch to impact the world for Christ are as numerous as the people who come to us every year.

Few organizations outside the church have the potential to touch as many lives as the ministry of Victory Ranch. Your support of our mission is an investment of eternal value.

We would ask you to consider the ranch and its impact on the lives of people as you plan your yearly giving.
